Consent to Treat

I hereby request and consent to the performance of chiropractic and other chiropractic procedures; including various modes of physical therapy and diagnostic x-rays on me by Dr. Parent or any other licensed doctors who now or in the future may provide treatment to me. I have had an opportunity to discuss with the doctor the nature and purpose of chiropractic adjustments and procedures. I understand that results are not guaranteed. I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment. I do not expect the doctor to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgement in the course of the procedures which the doctor feels at the time, based upon the facts then known, is in my best interest. I have read the above consent. I have also had an opportunity to ask questions about it's contents and by signing below I agree to the above named procedures. I intend this consent form to cover the entire course of treatment for my present condition and any future conditions for which I seek treatment.
